Further Child Protection

Course Aim: To provide essential learning to those designated to take the lead role in safeguarding and promoting the welfare of children on behalf of their organisation.

Learning Outcomes:

On completion of this course learners will be able to:

- Describe the role of the designated safeguarding and child protection lead
- Relate to National guidance created to promote welfare, safeguard and protect children
- Ensure that good practice in regard to safeguarding and child protection is embedded within your organisation
- Demonstrate understanding of statutory and non-statutory roles in protecting children
- Be able to deal with safeguarding concerns and referrals on behalf of the organisation
- Ensure adequate advice, support, information, instruction and training for staff is available within the organisation
- Be aware of the importance of working together with statutory and non-statutory agencies
- Be able to respond to allegations and complaints
