Introduction to Adult/Child Protection

Course Aim: To provide a basic introduction to safeguarding and the protection of children and adults at risk of abuse and harm. The course focuses on recognising abuse and the actions to take when abuse is suspected.

Learning Outcomes:

On completion of this course learners will be able to:

- Have a general awareness of the range of legislation and guidance surrounding safeguarding.
- Be able to define the different types of abuse.
- Be able to demonstrate an awareness of the range of indicators of abuse, neglect and exploitation.
- Be aware of the effects of personal values and attitudes towards abuse.
- Understand their responsibility to report concerns.
- Be aware of the importance of maintaining a person centred approach.
- Be able to demonstrate an awareness of the actions to take in the event of suspected abuse.
